**LOVE PACKS**  
BROUGHT CHRISTMAS  
JOY ON PAGE 5!

## REFLECTING ON 2025

Dear Friend,

As I look back over 2025, my heart is full of gratitude. This has been a year marked by God's faithfulness, by His provision in unexpected ways, and by partners like you who chose to stand with children, families, and churches around the world. I wish I could sit across from each of you and simply say, **"Thank you"**. Your prayers, your generosity, and your belief in this ministry have made an eternal difference.

This year, we witnessed something deeply encouraging. Through faithful local churches and Life Centers, children gathered week after week to hear the Gospel, learn Scripture, receive care, and experience the love of Christ in community. **They are known by name. They are prayed for. They are disciplined. And your partnership made that possible.**

We also witnessed how tangible expressions of compassion, like clean water, mattresses, and moments of celebration, opened doors for deeper trust and stronger discipleship. These were never just projects. They strengthened churches, restored dignity, and helped children experience God's love in real, tangible ways.

**Through every joy and every challenge, God has guided us, and YOU have stood with us.**

As we look toward 2026, we remain committed to one clear calling: to strengthen Life Centers, support sponsorship, and partner with local churches to disciple children who will grow in faith, hope, and a lifelong relationship with Jesus. **Our desire is not just to see children come to Christ, but to see them formed in their faith, equipped to live it out, and one day share it with others.**

**Thank you for standing with us. Thank you for caring so deeply. And thank you for trusting God to multiply what you give and to use it for His glory.**

To God be the glory—for all He has done, and for all that is still ahead.

With deep gratitude,

President, Childcare Worldwide

# MEASURING WHAT MATTERS

Each number represents real children, real families, and real churches, strengthened through Life Centers where the Gospel is shared, and lives are shaped.

CHILDREN SERVED

4,058

LIFE CENTERS SUPPORTED

## RECEIVED SCHOOL SUPPLIES

Helping students in Peru begin the school year prepared

400 KIDS

## UGANDA EMERGENCY FOOD DISTRIBUTION

Providing nourishment and stability after a devastating cyclone

## FAITHFUL STEWARDSHIP. CLEAR ACCOUNTABILITY.

Every dollar entrusted to Childcare Worldwide is God's provision. We steward each gift with integrity and care, so it does the greatest good and points children to Jesus.

### HOW YOU MADE AN IMPACT

Your giving fuels discipleship, clean water, education, and care through Life Centers and local churches. Visit our Impact page to see the latest stories, videos, and photos from the field. [ChildcareWorldwide.org/Impact](https://ChildcareWorldwide.org/Impact)

### A MINISTRY YOU CAN TRUST

Childcare Worldwide is governed by an active Board of Directors and is committed to ethical, transparent stewardship.

## GOD'S FAITHFULNESS PROVIDING WATER AND STRENGTHENING CHURCHES.

Seven years ago, a promise was made to pastors across Uganda: *If you faithfully teach God's Word to the children in your community, we will stand with you. And we meant it.*

That promise was about clean water and about trust. It meant meeting a real, life-giving need while faithfully standing with pastors who serve their communities every day. Water tanks brought safe drinking water to children, dignity to families, and stability to churches so Life Centers could continue as places where children gather, learn, worship, and grow in Christ.

When Bill began serving as president of Childcare Worldwide, he sought to understand where the work was still unfolding. With clarity and perseverance, we renewed our commitment to complete what God had begun, one church and one community at a time.

**Today, 177 churches have functioning clean-water tanks, serving tens of thousands of people every day.**

Because these tanks are placed at local churches, often alongside Life Centers, they are more than water sources. **They are gathering places where relationships are built, and the hope of Jesus is shared.**

Clean water changes daily life. The Gospel changes eternity. This impact is possible because of faithful partners like you.

This was not just an infrastructure project. It was a discipleship partnership. A promise kept and a testimony to God's faithfulness.

THE FULL STORY.

## REST RESTORED. DIGNITY RENEWED. HOPE STRENGTHENED.

Across Kenya and Uganda, many children living in poverty face nights without a safe place to sleep. Bare floors, thin mats, and shared mattresses affect their health, confidence, and ability to learn.

Because of your generosity, that reality began to change. This year, children slept in safety, warmth, and dignity again. In Kenya, **46 families** received full bedding kits, including mattresses and mosquito nets. In Uganda, **727 children** received mattresses, many for the very first time. Life Center leaders prayed with families as they received this care, moments often described as answered prayer.

Through your compassion, children were reminded they are seen, loved, and not forgotten by God. Families were welcomed and connected through Life Centers, where children are disciplined and encouraged week after week. What began as a simple act of care became a doorway to deeper relationships and growing faith.

**Mobilizations like this flow through Life Centers, strengthening trust, deepening discipleship, and pointing families to the hope of Jesus.**

MATTRESSES  
DISTRIBUTED

Families received full bedding kits (mattress, blankets, sheets, pillow, mosquito net)

## DAVID'S FIRST NIGHT OF REST

David Kimani, age 12, lives in rural Kenya with his mother and siblings. Until recently, they slept on the floor of their small home on a worn mattress.

Through your generosity, David's Life Center provided a new mattress and a full bedding set. For the first time, David and his siblings sleep warmly and safely. His teacher believes better rest will help him stay healthy and do better in school.

This was more than a mattress. It was dignity, healing, and hope.

David and his family lying on their new mattress

## LOVE PACKS BROUGHT JOY, CELEBRATION, AND THE GOSPEL TO 4,058 CHILDREN ACROSS SIX COUNTRIES.

This past Christmas, something beautiful unfolded across Uganda, Kenya, Peru, India, Sri Lanka, and Thailand. Because of faithful donors and sponsors, **4,058 children** experienced joy, celebration, and the love of Christ, many through their very first Christmas gift.

Love Packs turned Life Centers into joyful Christmas celebrations. Children sang, prayed, shared meals, and heard the story of Jesus together. More than gifts, these moments showed children that they are seen, valued, and deeply loved in Jesus' name. **To our sponsors and donors, THANK YOU.** Because of you, Life Centers were filled with laughter, hearts were filled with hope, and thousands of children experienced the joy of Christmas and the good news of Jesus.

## OSCAR'S CHRISTMAS JOY

When Oscar arrived at his Life Center in Luweero, Uganda, the room was already alive with music and laughter. Children gathered to celebrate Christmas, singing together and hearing the story of Jesus' birth.

When it was time to open the Love Packs, Oscar carefully pulled out a warm blanket and a cup printed with **Jeremiah 29:11**. As the verse was explained, he learned that God knows him and loves him, and he now has hope for his future in Christ.

*"I am very happy," Oscar said. "The blanket will keep me warm, and this verse tells me God has good plans for me."*

Because of your generosity, Oscar experienced more than a gift. He heard the Gospel and was reminded that he is deeply loved and never forgotten.

## WHERE GOD IS LEADING US NEXT

As we look ahead to 2026, we do so with gratitude for God's faithfulness and confidence in His leading. Across Uganda, Kenya, India, and Peru, children continue to face the daily challenges of poverty. They need more than temporary help. They need places where they are known, loved, and disciplined in the truth of Jesus.

**Our focus remains unchanged: to strengthen Life Centers, deepen discipleship, and partner closely with families and local churches so faith can take root and grow.**

### LIFE CENTERS

Life Centers are the clearest expression of our mission. Each week, children gather to hear Scripture, grow in character, and experience belonging in communities where stability is often hard to find. **In 2026, we are committed to strengthening these centers so children can continue growing deep in their faith.**

### SPONSORSHIP

Our commitment to sponsored children remains strong. **Through the support of faithful sponsors, children already in the program continue receiving education, care, and encouragement as they grow in faith through Life Center-based discipleship.**

### LOCAL CHURCHES

Everything we do flows through the local church. **Life Centers exist to strengthen churches as they disciple children, care for families, and share the hope of Jesus in their communities.**

### FAITH THAT LASTS

As we move into 2026, our heart is to invest deeply in what shapes children for a lifetime. **This is about faithful partnership, focused discipleship, and ministry that bears lasting fruit.**

### HEAR FROM A DONOR LIKE YOU

“I love that Childcare Worldwide is so committed to giving every child the opportunity to hear the Gospel and discover that there is a God who loves them. Through weekly Life Center gatherings, kids also receive nourishing meals and a real sense of belonging and community. It is truly a gift to be part of the life-changing work God is doing through Childcare Worldwide!”

— Brian and Kristin Haan

# GOD IS AT WORK.

IN CHILDREN. IN LIFE CENTERS. IN COMMUNITIES AROUND THE WORLD.

AND HE INVITES US TO BE PART OF IT.

*"The Lord has done great things for us, and we are filled with joy."*

Psalm 126:3
