

# FROM EMERGENCIES TO EVERYDAY NEEDS, THE WHERE MOST NEEDED FUND WAS THERE

Here is a glimpse into how the **Where Most Needed** Fund filled gaps, met urgent needs, and kept ministry moving in 2025.

## January

### Kenya — Additional Trade School Fees

Covered unexpected tuition costs so students could continue their studies and pursue brighter futures.

January: Uganda, High School Event

February: India & Peru, High School/Trade School Event

## March

### Uganda — Life Center Repairs & Maintenance

Kept lights on and computers running so Life Centers and outreach could continue uninterrupted.

## April

### Uganda — Emergency Food Distribution

When a typhoon hit Kalangala Island, your gift provided food and hope to children and families in crisis.

April: Kenya, High School Event

### Kenya — Child Protection Training

Equipped staff with essential training to keep children safe and cared for in every Life Center.

## May

### Peru — Beds & Dining Set for a Family

Provided a family in Peru with safe beds and a dining set to rest, eat, and remember God's care.

May: Uganda, High School Event

June: Peru, Trade School Event

## June

### Peru — Security System Installed

Installed a new security system in Peru, protecting children and staff so ministry continues safely.

August: Uganda, High School Event

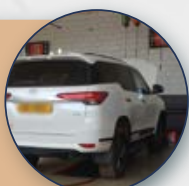

## August

### Peru — Kitchen Faucet Replacement

Kept Life Center meal preparation running smoothly, helping nourish children's bodies and spirits.

September: Peru, Trade School Event

## October

### Kenya — Vehicle Repairs & Maintenance

Maintained ministry vehicles, enabling outreach to remote children with food, discipleship, and Jesus' hope.
